Brewer Pre-K through 8 Elementary School

Brewer Pre-k through 8 School is a 155,000 SF, two story elementary school supported by a cafeteria, auditorium, running track and ball fields. The project is designed to LEED Silver standards.

This project was bid at more than \$4 million under budget and is currently 5 weeks ahead of schedule.

Superintendent Dr. Dan Lee helps children of Brewer sign the last piece of steel erected for their new school.
